After being stalled for four years, we were pleased to spend this past year working on the DEIS (Draft Environmental Review Statement) for the Dover Knolls project. We look forward to sharing that report with the public in the New Year after it is reviewed by your town board and its consultants. Please join us at our Holiday Open House so we can continue to get to know you and work together to Make the Vision a Reality.

Saturday, Dec. 13th

1:00 pm to 5:00 pm

At the Manor House

73 Wheeler Road, Wingdale
